Veteran Affairs Supportive Housing

The U.S. Department of Housing and Urban Development and the Veterans Affairs Administration have partnered together in an effort to provide long-term affordable housing to Homeless Veterans. Through the VASH Program the Allegheny County Housing Authority has been awarded funding to provide housing for Homeless Veterans and their families.

The local Veterans Affairs Office will refer Homeless Veterans to the VASH Program. The Veterans will then be issued Vouchers through the Allegheny County Housing Authority. Our Veterans are in need of One and Two bedroom units. Many of our Veterans are in need of landlords who are able to accept service animals.

If you are interested in helping Homeless Veterans and their families, have units available or have questions about the VASH program please email us at S8inspectors@achsng.com.
