## The First Tee of Pittsburgh at Pleasant Ridge

The First Tee of Pittsburgh (TFTP) is coming to the former Ohioview Acres site, now known as Pleasant Ridge. TFTP is a local chapter of a national program created by the World Golf Foundation that offers children of all backgrounds an opportunity to develop life skills and values through the game of golf. Currently, TFTP offers a program at the Schenley Park Golf Course. As part of the Ohioview Acres HOPE VI revitalization, the ACHA has partnered with TFTP to develop a facility at Pleasant Ridge. The new facility will include a pitch and putt area, short distance driving range, and indoor program space in the renovated community building. The program will be open to all children at Pleasant Ridge between the ages of seven and 18 as well as children that reside in Stowe Township/West Hills area. The ultimate goal of TFTP is to help children become better students, siblings, friends, employees and citizens. The mission is fulfilled by an extensive curriculum that takes children through nine core values and 24 life skill lessons. The nine core values are honesty, integrity, sportsmanship, respect, confidence, responsibility, perseverance, courtesy, and judgment. There are four curriculum benchmarks:

1. It is activity based.
2. It empowers kids.
3. It is mastery driven
4. It stresses continuous lifelong learning.

To learn more about TFTP check out their Web site at [www.thefirstteepittsburgh.org](http://www.thefirstteepittsburgh.org)
